Dora B. The reddest yellow fleshed freestone peach, quality excellent, good shipper, flavor the best extra large.

Gold Standard originated here from a chance seedling in the nursery row of one of our pioneer growers, has never failed to produce since the mother tree first bore in 1896, beautiful golden cling, with a lot of red almost round, extra large if not overloaded, but has a tendency to overload, ripens just after Elberta, fine texture, yet juicy and tender.

The best all purpose yellow cling peach we have ever grown.

We have only 2-3 3-4 feet sizes in above two varieties, Prices 2-3' 15c; 3-4' 20c.
